**Protect our air, water and way of life.** Approving Proposition 1 on the ballot this November 4 will preserve critical lands that protect our air quality, water resources, working farms and ranches, wildlife habitat, recreation, scenic views, and our heritage.

**Make a wise investment.** For just \$16.50 a year on the average residence, Cache County voters have the opportunity to protect our quality of life for future generations.

**Proposition 1 protects taxpayers.** A broad-based citizens' advisory committee shall be appointed by the Cache County Council to make recommendations on procedures and allocations that reflect community priorities. All expenditures are subject to annual public audit.
