## VOTE YES ON THE HOPEWELL TOWNSHIP OPEN SPACE REFERENDUM TO PRESERVE OUR QUALITY OF LIFE

**Hopewell Township is a wonderful place to live, and it is up to us to protect and preserve all the wonderful assets of our community.** Thanks to the Hopewell Township Open Space Trust Fund, approximately 2,500 acres of open space have been preserved. But nearly 20,000 acres of our undeveloped land are not preserved. That's 50 percent of our total area! Only preservation can permanently protect that land.

Vote "YES" for the Hopewell Township Open Space Referendum. A yes vote is our commitment to:

- Protecting our drinking water sources.
- Preserving the water quality of our streams.
- Ensuring our open spaces and wildlife habitat, historic sites, and beautiful farmlands are there for future generations.

**We must act now to preserve our last remaining open space for our children and grandchildren. \$1 a week is a small price to pay to preserve our quality of life in Hopewell Township.**

**Look for the "Hopewell Township Question", the third question on the ballot.**

The measure has been endorsed by: D&R Greenway Land Trust, Friends of Hopewell Valley Open Space, Hopewell Valley YMCA, Hopewell Valley Trailriding Association, Lawrence Hopewell Trail, New Jersey Conservation Foundation, Stony Brook-Millstone Watershed Association, Washington Crossing Audubon Society

### LAND PRESERVATION MAKES GOOD ECONOMIC SENSE

Every time a patch of woods or open field is converted to houses, we all pay the price in higher taxes for school construction, new roads, additional police, and other services. Preserved land stabilizes taxes and enhances our property values.
